The main map area shows a detailed layout of a sewerage system. A primary sewerage line, labeled 'Kolektor K-2 Rurociąg T-2', runs diagonally across the site. It is composed of several segments of PVC Ø200 pipe with varying lengths and slopes, such as L=33.5m i=5.0‰ and L=46.3m i=5.0‰. The line is shown in red and blue, with elevation points marked along its length (e.g., 129.20, 127.08, 126.88, 126.71, 126.50, 126.40, 126.30, 126.25, 126.11, 126.00, 125.90, 125.80, 125.70, 125.60,
